City of Fitchburg Snow and Ice Control Policies

Purpose:

To provide safe roads, sidewalks, bike paths, and parking lots for the City of Fitchburg during the winter months (November through March) by operating an effective winter maintenance service, while controlling salt and other chemical use.

Goals for Snow and Ice Control Policies:

- 1) Reduce the risk to the traveling public on city maintained roads, sidewalks, bike paths, and parking lots.
- 2) To support necessary emergency operations by police, fire, and ambulance services. Provide reasonably safe school bus routes and school zones. Provide reasonably safe Metro bus routes, bike routes and pedestrian street crossings.
- 3) Reduce economic losses to the community and industry caused by workers unable to get to their jobs or to make deliveries.
- 4) Minimize the environmental impact of winter by using the least amount of salt or other de-icing chemicals that is effective in clearing the roads, sidewalks, bike paths and parking lots..
- 5) Provide for more efficient, cost effective, and responsive winter operations on the part of the City of Fitchburg Public Works Department.

Background:

The City of Fitchburg is located in Dane County Wisconsin, which is in the South Central portion of the state. The winter season generally runs from November to March with occasional snowfalls in October and April. A typical winter season is around 50 inches of snow; the largest seasonal snowfall ever recorded was 103 inches in 2007-2008.

The Dane County Highway Department plows all County and US Highways in Fitchburg. Private roads, parking lots and alley ways are plowed by the private property owners. Fitchburg Public Works - Streets division is responsible for all other roads in the city (see appendix 1). The city is divided into five plowing zones for roads (see appendix 2). Fitchburg roads and the level of maintenance are classified as follows:

- 1) **Class 1 (Major):** Major collectors and roads with higher traffic volume. Maintenance services are provided as appropriate under prevailing weather conditions with the goal of providing a pavement surface generally bare of snow and ice. Roadways may be pretreated with brine before major snow events and ice storms. Plowing begins when 1" of snow has accumulated, with salt and sand to be used as needed. Plowing shall be from curb to curb. Use of overtime to meet the above goal is authorized.
- 2) **Class 2 (Minor):** Minor collectors or main residential streets with moderate traffic. Maintenance services are provided as appropriate under prevailing weather conditions with the goal of providing a pavement surface generally bare of snow and ice in the center portion with enough width for one vehicle in each direction. A thin cover of snow along the edges of the road is permissible. Curves, hills and intersections with Class 1 roads may be pretreated with brine before major snow events and ice storms. Plowing begins when 1" of snow has accumulated with salt and sand to be used as needed. Use of overtime to meet the above goal is authorized. Additional clearing operations including curb to curb plowing shall take place during normal work hours unless authorized by the Director of Public Works.

- 3) **Class 3 (Residential):** Residential thru streets with minimal traffic. Maintenance services are provided as appropriate under prevailing weather conditions with the goal of providing a passable surface. Plowing begins when 2" of snow has accumulated with minimal use of salt and sand. Plowing shall be from the traveled portion of the roadway with a thin cover of snow permissible. Use of overtime to meet the above goal is authorized. Additional clearing operations shall take place during normal work hours unless authorized by the Director of Public Works.
- 4) **Class 4 (Cul-de-sacs and dead ends):** Residential streets that dead end. Maintenance services are provided as appropriate under prevailing weather conditions with the goal of providing a passable surface. Plowing begins when 2" of snow has accumulated with minimal use of salt and sand. Plowing shall be from the traveled portion of the roadway with a thin cover of snow permissible. Use of overtime to meet the above goal is authorized. Additional clearing operations shall take place during normal work hours unless authorized by the Director of Public Works.
- 5) **Additional Areas** Concrete bus pads, Bus shelters, Recycling Drop off Area, Median openings at pedestrian crossings. All work should be completed after road snow removal is complete and during regular work hours.

Fitchburg Public Works - Parks division is responsible for snow and ice removal for all city owned sidewalks, along with certain Parking lots, and Bike paths (See Appendix 3), These areas are classified as follows.

- 1) **Class 1 (Major):** City Campus and Fire Station parking lots, all city owned sidewalk, and School Bike path. Maintenance services are provided as appropriate under prevailing weather conditions with the goal of providing a pavement surface generally bare of snow and ice. Parking lots may be pretreated with brine before major snow events and ice storms. Plowing generally begins when snow has stopped accumulating, to be finished not later than 6:00 p.m. of the day after the same has ceased to fall or accumulate; provided that when ice has so formed on the listed areas above that it cannot be removed, then the city shall keep the same effectively sprinkled with sand, salt or other suitable substance in such manner as to prevent the ice from being dangerous, until such time as it can be removed, and then it shall be promptly removed. Use of overtime to meet the above goal is authorized.
- 2) **Class 2 (Minor):** Select park parking lots and Bike Paths (see Appendix 3), along with Ice Rinks. Maintenance services are provided as appropriate under prevailing weather conditions with the goal of providing a passable surface. Plowing generally begins when the snow has stopped accumulating and after all Class 1 areas are complete with minimal use of salt and sand. Limited use of overtime to meet the above goal is authorized, unless otherwise directed by the Director of Public Works.

Brine, Salt, and Sand General Guidelines:

Brine

- Pretreat major roads, hills, curves, major intersections, City Hall and Fire Station parking lots with brine when possible.
- Apply only with stream nozzles, do not fan spray.
- Use a 23% brine solution.
- Apply during non-rush hour traffic.
- Do not use under blowing conditions.
- Do not use before predicted rain.

- Do not apply if the pavement temperature is below 10° F.
- For first application after a long dry spell, apply spray at half rate.
- Over spraying brine will cause the roadway to become slippery.
- See Pretreatment table (Table 1) for application rates.

Salt

- Plow before applying salt.
- Apply salt at a lower rate in areas pretreated with brine or wetted salt.
- Do not apply salt when pavement temperature is below 15° F.
- Apply salt at a lower rate in high traffic volume areas.
- See De-icing table (Table 2) for application rates.

Sand

- Use sand for short term traction only.
- When using sand/salt mix the ratio of sand to salt should be 40% sand, 60% salt.
- See De-icing table (Table 2) for application rates.

Between Snow/Ice Events:

- Clean storm inlets of packed snow or ice.
- Plow any remaining snow on Class 3 or 4 roads from curb to curb.
- In cul-de-sacs, where conditions warrant, push snow up into higher piles in center.
- Wing out rural roads.
- Finish plowing any remaining parking lots or bike paths (see Appendix 3).
- Complete any needed truck, equipment, or maintenance repairs.
- Push Snow back at intersections to improve visibility.

Before the Season Planning:

September:

- Review policies.
- Check for new construction/subdivisions/roads/sidewalks/bike paths/parking lots.
- Make sure all manholes are chipped and tarred in place for roads that were resurfaced over the summer.
- Inspect ditches, culverts and inlets and make sure no obstructions are in place in order to allow for the spring melt.
- Remove snow traps such as tall grass that may catch and accumulate snow.

October:

- Inspect equipment, repair or replace as needed.
- Inspect all trucks and perform any needed maintenance.
- Calibrate augers and spreaders.
- Test brine tanks and sprayers.
- Identify areas prone to drifting and create an action plan to solve the issue.
- Have crews drive assigned routes, identify any hazards, critical areas, and determine the most efficient way to cover the route.

November:

- Review application rates.
- Review overtime policies.
- Review safety policies with crew.

TITLE: Final Resolution Exercising Police Powers and Levying
Special Assessments for 2015 Curb and Gutter Replacement in
the City of Fitchburg, Wisconsin

Background: The curb and gutter replacement work was completed in conjunction with the street resurfacing project. In order to levy the assessments, the Council has to adopt a final assessment resolution. The assessment report will be modified if Resolution R-110-15 is approved at the November 10, 2015 council meeting.

Introduction

This report is required by the Common Council of the City of Fitchburg to fulfill its requirements to exercise its power under Wis. Stat. §66.0703(7) and 10.215 of the Fitchburg General Ordinances. It is submitted to the Common Council as a Final Assessment Report for the replacement of deficient curb and gutter fronting Monticello Way from S. Whitney Way to City Limits, Tanager Trail, Richmond Drive, Marledge Street from Raritan Road to 200' south of Barbara Drive, Osmundsen Road from Devoro Road to Lacy Road, and Osmundsen Road from Lacy Road to Stanbrook Road.

This report contains the following:

- 1) Project Costs Table 1
- 2) Final Assessment Schedule Exhibit A
- 3) Final Assessment Resolution R-110-15 Appendix A
- 4) Preliminary Assessment Report Appendix B

Administrative 2%	\$326.88	
Subtotal:		\$1,625.32
Total Assessable Project Cost		\$17,905.76

*The City is responsible for 50% of the curb and gutter costs per the assessment policy.

ASSESSMENT RATE

In this project, properties will generally benefit in proportion to their linear footage of curb and gutter. Therefore, the linear footage method of assessment best assures that each property owner pays a proportionate share of the costs. Per the assessment policy, a property owner may not be charged for more than 40 linear feet.

The linear footage assessment rate is determined by dividing the total assessable project cost, as shown in Table 1, by the total assessable linear footage as shown in Exhibit A. For this project, the assessment rate is calculated to be \$19.72 per linear foot for curb and gutter.

Assessable Curb and Gutter Cost	\$19.72 / Linear Foot
---------------------------------	-----------------------

The assessments for each parcel are shown on Exhibit A. The total linear footage of assessable curb and gutter replacement is 908 LF.

RESOLUTION R-110-15
FINAL RESOLUTION EXERCISING POLICE POWERS AND LEVYING SPECIAL
ASSESSMENTS FOR 2015 CURB AND GUTTER REPLACEMENT IN THE CITY OF
FITCHBURG, WISCONSIN

WHEREAS, on March 24, 2015, the Common Council of the City of Fitchburg adopted resolution No R-33-15 declaring its intent to exercise its police power under Wis. Stat. §66.0703 (7), and section 10.213-10.216 of the Fitchburg General Ordinances to levy special assessments for special benefits conferred upon properties within the following Assessment District for the cost of replacing defective curb and gutter on streets in the 2015 Street Resurfacing contract in the City of Fitchburg.

ASSESSMENT DISTRICT

All properties with defective curb and gutter as identified by the City Engineer fronting Monticello Way from S. Whitney Way to City Limits, Tanager Trail, Richmond Drive, Marledge Street from Raritan Road to 200' south of Barbara Drive, Osmundsen Road from Devoro Road to Lacy Road, and Osmundsen Road from Lacy Road to Stanbrook Road.

WHEREAS, pursuant to said resolution a report was filed by the City Engineer in the office of the City Clerk, notice thereof was duly given to the public and to owners of affected properties, and the Board of Public Works on August 17, 2015, held a public hearing at the Fitchburg City Hall for purposes of hearing all persons interested concerning the preliminary resolution and report on the proposed assessments; and

WHEREAS, all work described in Resolution No. R-33-15 has been completed and a final report of the direct and indirect costs of the improvements and proposed final assessments has been filed in the office of the City Clerk by the City Engineer; and

WHEREAS, the report of the engineer shows that the final assessments do not exceed by ten percent (10%) or more the preliminary assessments in the preliminary report heard by the Board of Public Works on August 17, 2015, as above described;

NOW, THEREFORE BE IT HEREBY RESOLVED, the Common Council of the City of Fitchburg, Wisconsin, pursuant to the authority vested in it by Wis. Stat. 62.11(5) and 66.0703(7) hereby resolve as follows:

1. The final report of the City Engineer pertaining to the construction of 2015 Curb and Gutter Replacement in the above-described Assessment District is hereby adopted and approved.
2. Payment for the improvements described in paragraph 1 shall be made by assessing the costs to the properties and in the amounts indicated in the report as shown on Exhibit A attached hereto which is incorporated herein as if fully set forth.

3. The assessments shown on the attached Exhibit A represent an exercise of the police power and have been determined on a reasonable basis and are hereby confirmed.

4. The assessments may be paid to the City Clerk in cash within sixty (60) days from the adopted date of this resolution or in equal annual installments of principal as follows:

- a. If the assessment is less than \$500.00, the assessment shall be paid in one (1) annual installment.
- b. If the assessment is at least \$500.00 but less than \$999.00, the assessment shall be paid in three (3) installments.
- c. If the assessment is at least \$1000.00 but less than \$4,999.00, the assessment shall be paid in five (5) annual installments.
- d. If the assessment is greater than \$5000.00, the assessment shall be paid in seven (7) annual installments.

Upon sale or transfer of the property any outstanding balances are due. Deferred principal payments shall bear interest on the unpaid balance at the rate of 2.5% per annum from January 1, 2016. Installments not paid when due shall bear additional interest on the amount due at the rate of 18% per annum. Partial payments received on or before ninety days from the adopted date of this resolution shall be applied to the principal amount due and installments reduced pro-rata.

5. The unpaid balance of principal of any assessment levied hereby and interest thereon shall be a lien upon the assessed property from the date of adoption of this resolution.

6. The City Clerk shall publish this resolution and an installment assessment notice as Class 1 Notices in the City's official newspaper and mail a copy of this resolution and a statement of the final assessment against each property, together with an installment assessment notice, to the owner of every property whose name appears on the assessment roll and whose post office address is known or can with reasonable diligence be ascertained.

Adopted this 10th day of November, 2015.

Introduction

This report is required by the Common Council of the City of Fitchburg as per Resolution Number R-33-15, declaring Intent to Exercise Special Assessment Powers. It is submitted to the Common Council as a Preliminary Assessment Report for the replacement of deficient curb and gutter fronting Monticello Way from S. Whitney Way to City Limits, Tanager Trail, Richmond Drive, Marledge Street from Raritan Road to 200' south of Barbara Drive, Osmundsen Road from Devoro Road to Lacy Road, and Osmundsen Road from Lacy Road to Stanbrook Road.

This report contains the following:

- 1) Statement of Benefits
- 2) Opinion of Project Costs..... Table 1
- 3) Preliminary Assessment ScheduleExhibit A
- 4) Preliminary Assessment Resolution R-33-15Appendix A
- 5) Assessment District Boundary Map..... Appendix B

I. Statement of Benefits

The improvements will abut the properties within the proposed assessment districts as shown and described in Appendices A and B, respectively.

By correcting deficiencies in the existing curb and gutter, this will benefit the properties where the improvements are to be installed.

II. Opinion of Project Costs

The Opinion of Project Costs shown in Table 1 contains the estimated construction, engineering, and administrative costs.

Engineering 8%	\$1,298.44	
Administrative 2%	\$326.88	
Subtotal:		\$1,625.32
Total Assessable Project Cost		\$17,905.76

**The City is responsible for 50% of the curb and gutter costs per the assessment policy.*

PRELIMINARY ASSESSMENT RATE

In this project, properties will generally benefit in proportion to their linear footage of curb and gutter. Therefore, the linear footage method of assessment best assures that each property owner pays a proportionate share of the costs. Per the assessment policy, a property owner may not be charged for more than 40 linear feet.

The linear footage preliminary assessment rate is determined by dividing the total assessable project cost, as shown in Table 1, by the total assessable linear footage as shown in Exhibit A. For this project, the preliminary assessment rate is calculated to be \$19.72 per linear foot for curb and gutter.

Assessable Curb and Gutter Cost	\$19.72 / Linear Foot
---------------------------------	-----------------------

The preliminary assessments for each parcel are shown on Exhibit A. The total linear footage of assessable curb and gutter replacement is 908 LF.

RESOLUTION R-33-15
PRELIMINARY ASSESSMENT RESOLUTION FOR
2015 RESURFACING CURB AND GUTTER REPLACEMENT

Preliminary Resolution Declaring Intent to Exercise Special Assessment Police Powers Under Municipal Police Powers pursuant to §66.0701 Wisconsin Statutes, and Fitchburg Code of Ordinances Section 10-215 for the cost of replacing defective curb and gutter on streets in the 2015 Street Improvements contract in the City of Fitchburg.

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Common Council of the City of Fitchburg, Dane County, Wisconsin that

1. The Common Council hereby declares its intention to exercise its police power under Sec. 66.0703 Wis. Stats. as incorporated in Section 10-215 of the Fitchburg Ordinances, to levy special assessments upon property in the assessment district hereafter described for benefits conferred upon such property by replacement of defective curb and gutter.
2. The property to be assessed lies within the following described assessment district:

ASSESSMENT DISTRICT

All properties with defective curb and gutter as identified by the City Engineer fronting Monticello Way from S. Whitney Way to City Limits, Tanager Trail, Richmond Drive, Marledge Street from Raritan Road to 200' south of Barbara Drive, Osmundsen Road from Devoro Road to Lacy Road, and Osmundsen Road from Lacy Road to Stanbrook Road.

3. The City Council hereby determines that the improvements constitute an exercise of the police power for the health, safety and welfare of the public.
4. The total amount assessed against the properties in the defined assessment district shall not exceed 100% of the City's direct and indirect costs of the improvements including, but not limited to, actual construction costs and related costs of engineering and legal services, administrative expense and borrowing costs related to the project.
5. The assessment against any parcel may be paid in cash or equal annual installments in accordance with schedule below, with interest on the unpaid balance at one percent (1%) over the City's borrowing rate. If the installment method is selected the remaining balance is due at time of transfer or sale of ownership of parcel.
Assessment Schedule:
 - a. If the assessment is less than \$500.00, the assessment shall be paid in one (1) annual installment.
 - b. If the assessment is at least \$500.00 but less than \$999.00, the assessment shall be paid in up to three (3) annual installments.

RESOLUTION R-110-15
FINAL RESOLUTION EXERCISING POLICE POWERS AND LEVYING SPECIAL
ASSESSMENTS FOR 2015 CURB AND GUTTER REPLACEMENT IN THE CITY OF
FITCHBURG, WISCONSIN

WHEREAS, on March 24, 2015, the Common Council of the City of Fitchburg adopted resolution No R-33-15 declaring its intent to exercise its police power under Wis. Stat. §66.0703 (7), and section 10.213-10.216 of the Fitchburg General Ordinances to levy special assessments for special benefits conferred upon properties within the following Assessment District for the cost of replacing defective curb and gutter on streets in the 2015 Street Resurfacing contract in the City of Fitchburg.

ASSESSMENT DISTRICT

All properties with defective curb and gutter as identified by the City Engineer fronting Monticello Way from S. Whitney Way to City Limits, Tanager Trail, Richmond Drive, Marledge Street from Raritan Road to 200' south of Barbara Drive, Osmundsen Road from Devoro Road to Lacy Road, and Osmundsen Road from Lacy Road to Stanbrook Road.

WHEREAS, pursuant to said resolution a report was filed by the City Engineer in the office of the City Clerk, notice thereof was duly given to the public and to owners of affected properties, and the Board of Public Works on August 17, 2015, held a public hearing at the Fitchburg City Hall for purposes of hearing all persons interested concerning the preliminary resolution and report on the proposed assessments; and

WHEREAS, all work described in Resolution No. R-33-15 has been completed and a final report of the direct and indirect costs of the improvements and proposed final assessments has been filed in the office of the City Clerk by the City Engineer; and

WHEREAS, the report of the engineer shows that the final assessments do not exceed by ten percent (10%) or more the preliminary assessments in the preliminary report heard by the Board of Public Works on August 17, 2015, as above described;

NOW, THEREFORE BE IT HEREBY RESOLVED, the Common Council of the City of Fitchburg, Wisconsin, pursuant to the authority vested in it by Wis. Stat. 62.11(5) and 66.0703(7) hereby resolve as follows:

1. The final report of the City Engineer pertaining to the construction of 2015 Curb and Gutter Replacement in the above-described Assessment District is hereby adopted and approved.

2. Payment for the improvements described in paragraph 1 shall be made by assessing the costs to the properties and in the amounts indicated in the report as shown on Exhibit A attached hereto which is incorporated herein as if fully set forth.

3. The assessments shown on the attached Exhibit A represent an exercise of the police power and have been determined on a reasonable basis and are hereby confirmed.

4. The assessments may be paid to the City Clerk in cash within sixty (60) days from the adopted date of this resolution or in equal annual installments of principal as follows:

- a. If the assessment is less than \$500.00, the assessment shall be paid in one (1) annual installment.
- b. If the assessment is at least \$500.00 but less than \$999.00, the assessment shall be paid in three (3) installments.
- c. If the assessment is at least \$1000.00 but less than \$4,999.00, the assessment shall be paid in five (5) annual installments.
- d. If the assessment is greater than \$5000.00, the assessment shall be paid in seven (7) annual installments.

Upon sale or transfer of the property any outstanding balances are due. Deferred principal payments shall bear interest on the unpaid balance at the rate of 2.5% per annum from January 1, 2016. Installments not paid when due shall bear additional interest on the amount due at the rate of 18% per annum. Partial payments received on or before ninety days from the adopted date of this resolution shall be applied to the principal amount due and installments reduced pro-rata.

5. The unpaid balance of principal of any assessment levied hereby and interest thereon shall be a lien upon the assessed property from the date of adoption of this resolution.

6. The City Clerk shall publish this resolution and an installment assessment notice as Class 1 Notices in the City's official newspaper and mail a copy of this resolution and a statement of the final assessment against each property, together with an installment assessment notice, to the owner of every property whose name appears on the assessment roll and whose post office address is known or can with reasonable diligence be ascertained.

AGREEMENT FOR PURCHASE AND SALE OF REAL ESTATE - SHORT FORM

Wisconsin Department of Transportation
RE1895 04/2015

THIS AGREEMENT, made and entered into by and between City of Fitchburg, a Wisconsin municipal corporation, hereinafter called Seller, and the State of Wisconsin, Department of Transportation, hereinafter called WisDOT. If accepted, this offer can create a legally enforceable contract. Both parties should read this document carefully and understand it before signing.

Seller and WisDOT agree that WisDOT is purchasing this property for highway or other transportation related purposes, within the meaning of Chapter 84 of the Wisconsin Statutes.

Seller warrants and represents to WisDOT that Seller has no notice or knowledge of any of the following:

- 1) Planned or commenced public improvements which may result in special assessments which would otherwise materially affect the property, other than the planned transportation facility for which WisDOT is purchasing this property;
- 2) Government agency or court order requiring repair, alteration, or correction of any existing condition;
- 3) Shoreland or special land use regulations affecting the property; and,
- 4) Underground storage tanks and the presence of any dangerous or toxic materials or conditions affecting the property.

DESCRIPTION: The Seller agrees to sell and WisDOT agrees to buy, upon the terms and conditions hereinafter named, the following described real estate situated in Dane County, Wisconsin:

Legal description is attached hereto and made a part hereof by reference.

The purchase price of said real estate shall be the sum of One Dollar and other good and valuable consideration, (\$1.00 & OVC) ~~payable in full by check at closing.~~

~~General taxes shall be prorated at the time of closing based on the net general taxes for the current year, if known, otherwise on the net general taxes for the preceding year.~~

Seller shall, ~~upon payment of purchase price,~~ convey the property by warranty deed or other conveyance provided herein, free and clear of all liens and encumbrances, including special assessments, except recorded public utility easements and recorded restrictions on use running with the land or created by lawfully enacted zoning ordinances and N/A, provided none of the foregoing prohibit present use.

Legal possession of premises shall be delivered to WisDOT on the date of closing.

Physical occupancy of property shall be given to WisDOT on the date of closing. ~~Seller may not occupy property after closing unless a separate lease agreement is entered into between WisDOT and Seller.~~

SPECIAL CONDITIONS: The parties to this agreement acknowledge that the Wisconsin Department of Transportation is receiving this conveyance as a donation. Should seller appeal from the amount of compensation pursuant to S. 32.05(2a), Wisconsin Statutes, then the parties hereto agree that the value of the property described herein for purposes of such appeal shall be fair market value which has been determined by the parties to be the fair market value of the property based on appraisal. The appraisal valued the property at \$7,900.00. This interest acquired by this donation is a Temporary Limited Easement of 4,884 square feet and Highway Easement of 2,096 square feet.

This agreement is binding upon acceptance by WisDOT as evidenced by the signature of an authorized representative of WisDOT. If this agreement is not accepted by WisDOT within 30 days after Seller's signature, this agreement shall be null and void.

This transaction is to be closed at the office of TBD on or before December 31, 2015 or at such other time and place as may be agreed to in writing by the Seller and WisDOT.

No representations other than those expressed here, either oral or written, are part of this sale.

Seller and WisDOT agree to act in good faith and use diligence in completing the terms of this agreement. This agreement binds and inures to the benefit of the parties to this agreement and their successors in interest, assigns, personal representatives, heirs, executors, trustees, and administrators.

The warranties, covenants and representations made herein survive the closing and the conveyance of this property. Seller agrees to sell and convey the above-mentioned property on the terms and conditions as set forth and acknowledges receipt of a copy of this agreement.

QUARRY VISTA OUTLOT 1 ACCEPTANCE

WHEREAS, on June 9, 2015, Hamm Fam Land, LLC ("Subdivider") and the City of Fitchburg (the "City"), entered into a contract (the "Contract") for subdivision improvements in the Plat of Quarry Vista in the City of Fitchburg (the "Plat"); and

WHEREAS, the City Engineer has inspected and conditionally approved the subdivision improvements for Lots 1 through 15 and the utility improvements on Outlots 1 and 5 of the Plat as being in the condition called for by the Contract; and

WHEREAS, the Subdivider has agreed to furnish security equivalent to fees in lieu of park dedication for Outlot 5 in the amount of \$30,153, until such time that all required public improvements on this outlot are complete and accepted by the City; and

WHEREAS, all required sanitary sewer charges and other charges and fees have been or will be paid and deposited, and land dedication made as required by said Contract; and,

WHEREAS, affidavits, evidencing that there are no claims, actions, or demands for damages based upon contract or tort arising out of or in any way relating to the Plat and that no monies are owed to any surveyor, mechanic, subcontractor, materialman or laborer for the project and no such claims, actions or demands, will be filed subsequent to approval of this resolution; and,

WHEREAS, the Subdivider has agreed to provide security to insure said improvements in the Plat against defects in materials and workmanship for one year subsequent to compliance with the terms of the Contract and this Resolution and otherwise to comply with the terms of the Resolution and the Contract.

NOW, THEREFORE, BE IT HEREBY RESOLVED, The Common Council of the City of Fitchburg, Dane County, Wisconsin, hereby accepts the municipal improvements as constructed in the Plat and easements for Lots 1 through 15 and the utility improvements as constructed in the plat and easements on Outlots 1 and 5 subject to: (a) filing of affidavits and lien waivers with the City Engineer evidencing that there are no claims, actions or demands for damages arising out of or in any way relating to the project and that no monies are owed to any surveyor, mechanic, contractor, subcontractor, materialman or laborer and no such claims, actions or demands will be filed by the City Clerk, (b) that sufficient security, satisfactory to the City Engineer, City Attorney and Mayor has been posted pursuant to the Contract to guarantee against defects in materials and workmanship in the improvements

hereby accepted for a period of one year following compliance with the terms and conditions of this Resolution; (c) timely payment by Subdivider of all outstanding engineering, inspection, consulting, legal fees, and other outstanding expenses and administrative costs incurred by the City as outlined in the contract; (d) verification by the City Administrator that all outstanding invoice charges related to the Plat, including legal and engineering fees, have been paid by the Subdivider; and (e) Subdivider furnishing security for Outlot 5 until such time that all required public improvements on this outlot are complete and accepted by the City.

BE IT FURTHER RESOLVED, Upon compliance with all above conditions, the City accepts for public use all improvements and dedication in the Plat and the Mayor and City Clerk may execute the required acceptances on behalf of the City.
